

COUNTY SCHOOL DIRECTORS PLAN FOR CONVENTION

The Adams County Board of School Directors, at its November meeting Monday night in the court house, appointed committees for the annual school directors' convention to be held at New Oxford December 10, and made plans for the annual Christmas dinner of the county board December 17 at the Homestead inn, York.

The convention will be the 58th annual meeting, and will be held in the New Oxford high school auditorium, beginning at 9 a. m. Directors, their wives, guests and secretaries, are invited. A roast turkey dinner will be served at the First Lutheran church at 12:30 o'clock.

Donald V. Hock, Allentown mayor, and P. G. Van Ness, executive secretary of the Pennsylvania School Directors' association will be the speakers. Luther M. Lady, president of the county board, will preside at the morning session and Rowe M. Martin, vice president, at the afternoon session. Mr. Lady will also be a song leader.

The New Oxford high school band will play from 9 to 9:30 o'clock at the opening of the morning session, and in the afternoon the high school chorus will present a program from 2 to 2:30 o'clock.

The following committees were named Monday night by the county board:

Resolutions: Luther W. Ritter, Littlestown, chairman; J. F. Kanagy, Butler township; Ervin Harbold, Latimore township; J. Faber Wildasin, Abbottstown; John G. Myers, Hamilton township; Harry E. Brown, Fairfield and Mahlon P. Hartzell, Sr., Gettysburg. Nominating: William M. Lott, Huntingdon township, chairman; John W. Bream, Franklin township; Maurice Miller, Berwick township; (Please Turn to Page 7)

TO PROSECUTE TRUCK OWNER

Chief of Police Robert C. Harpster today made good a threat he made last Saturday to prosecute the owner of a beer distributing truck parked near the Freedom Train site, by filing a charge of abandoning the vehicle before Justice of the Peace John H. Basehore. A ten-day notice will be sent to C. L. Spielman, 518 Jackson avenue, Hanover, reputed owner of the truck.

According to a statement given out by Harpster, the truck was "intentionally abandoned for advertising purposes." He said on Saturday that it had been parked near the intersection of Buford and Springs avenues and Chambersburg street since the preceding Wednesday.

The charge filed against Spielman is a violation of a borough ordinance which designates any vehicle left unattended on the streets for more than five hours as an abandoned vehicle, Basehore said.

Files Appeal In Assumpsit Action

An appeal has been filed with the Adams county prothonotary from a decision of Justice of the Peace John H. Basehore in an assumpsit action brought by William M. Forsythe, Orrtanna R. D., against William Riggel, also of Orrtanna R. D.

Basehore found for Forsythe in the sum of \$95.50 which Forsythe claims is due him from Riggel because Riggel did not make five barrels of cider which he had contracted to make for Forsythe.

The law firm of Swope, Brown and Swope is representing Riggel, according to the papers filed with the prothonotary.

President Evades Newsmen On Walk

Washington, Nov. 23 (AP)—President Truman took a 25-minute walk in downtown Washington early this morning. Only a few early risers were on the streets as Mr. Truman swung along at a steady pace. Three secret service men were with him.

The President left Blair House, across the street from the White House at 7 a. m., (EST). He is living there while the White House is repaired. He was back at 7:25 a. m., (EST), for breakfast. An hour later he walked across the street to his executive office.

On the way, Mr. Truman joshed reporters who were not on hand to accompany him on his walk. "Why don't you fellows get up at about 7 o'clock so you could go for a walk with me," he chuckled. A crowd of about 100 persons watched him cross the street.

COUNTY LIBRARY MEETING TONIGHT

Annual reports, election of directors and an address by Dr. G. S. Warthen, head of the department of English at Gettysburg college, are on the program for the annual meeting of the members of the Adams County Free Library Association this evening at 7:30 o'clock at the main library on Carlisle street.

Mrs. E. S. Lewars, association president, will preside and will present her report for the year. Reports also will be given by the treasurer and the librarian.

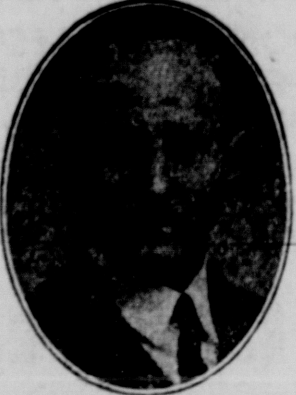

The nominating committee report will be presented and the election of directors to fill vacancies on the board or to choose successors for retiring members of the board will be held.

Miss Anna Farran, new librarian whose services this county shares with Franklin county, will be presented to the association and will speak briefly. Doctor Warthen's address will follow.

HARRY A. PARR DIES SUDDENLY IN LITTLESTOWN

Harry A. Parr, 74, died very suddenly at 11 o'clock this morning at his home, 14 West King street, Littlestown. Although under the care of a physician, death came unexpectedly.

He was in his usual health until

HARRY A. PARR

last night when he began to complain of not feeling well.

He was a son of the late Jacob and Mary (Sponseller) Parr. Mr. Parr was twice married. His first wife, the former Flora Messinger, died 22 years ago. His second wife, Georgie Shorb, died five years ago.

Ex-County Commissioner

Mr. Parr was a life-long member of Redeemer's Reformed church, Littlestown. The deceased was a retired farmer. He served as an Adams county commissioner from 1928 to 1932. Mr. Parr was a director of the Littlestown Mutual Fire Insurance company and a director of the Mt. Carmel cemetery association. He was also a member of the Protective Home Circle of Hanover.

Surviving are two children from his first marriage, Mrs. Orville C. Sentz, near Littlestown, and Clyde N. Parr, Hanover; five grandchildren; one sister, Mrs. Laura Rodgers, Trenton, N. J.

Funeral services Friday at 10:30 a. m. at the J. W. Little and son funeral home, Littlestown, in charge of his pastor the Rev. Frank E. Reynolds. Interment in Mt. Carmel cemetery, Littlestown. Friends may call at the funeral home Thursday evening from 7 to 9 o'clock.

Service Of Thanks By C. S. Society

The Christian Science society of Gettysburg will hold its annual Thanksgiving service Thursday evening at 7:30 o'clock in the rooms of the Kadel building.

Included on the program will be the reading of the Thanksgiving Proclamation by President Truman. "Thanksgiving" is the subject of the lesson-sermon. The golden text is "Offer unto God thanksgiving; and pay they vows unto the most high," Psalms 50-14. The public is invited to attend.

FILES RIGHTS OF WAY

Rights of way for the lines of the Metropolitan Edison company over the following properties have been filed with the county register and recorder: Howard D. Waybright, John T. Flesham, Carroll M. McGee, Earl W. Heagerty, George S. Fishel, Harry W. Almoney and John W. McClell, all in Cumberland township; L. W. and M. S. Kleinfelter, Biglerville; Clair M. Arter, Union township; Melvin J. Starnier and Lester J. Hoy, Reading township; Paul L. Lantz and Frederick Wilbur Baker, Butler township; Melvin J. Shank and Wilbur H. Miller, Berwick township; Lower Adams Joint School district, Mt. Pleasant township; Robert E. Elcholtz, Franklin township, and Ern J. Raffensperger, Menallen township.

HALF MILLION TB SEALS PUT IN MAIL HERE

The Adams County Tuberculosis society launches its 42nd seal sale with the mailing this week of nearly 5,000 letters containing about half a million 1948 Christmas seals.

Last year the seal sale brought in \$2,918.47 in this county to set a new record.

A tow-headed boy in red pajamas sitting before a fireplace waiting for Santa Claus features the seal for this year. This seal, the 42nd used by the National Tuberculosis Association, will appear with variations in Canada, Great Britain, Newfoundland and Bermuda. It was designed by Barry Bart of South Kent, Conn.

The annual appeal for funds for the work of the national and county tuberculosis societies is contained in a letter signed by Dr. L. C. Keefauver, president of the county society. Checks are to be made payable to Miss Elizabeth Evans, treasurer.

Points To Big Project
Dr. Keefauver's letter follows: "The Tuberculosis Society is carrying out an unusually large project this year. In addition to its usual program of assistance to the afflicted in particular need, a contract with a mobile x-ray unit was made by which more than two thousand persons were given a chest x-ray. This supplanted the usual skin test given to certain school children of high school age, teachers and others in direct contact with school children.

"Many industries took advantage of this mobile x-ray unit when it was in their particular community, and at their own expense had their employees x-rayed. These industries are to be commended for their interest in their employees.

"YOU can help to continue this program by purchasing the enclosed Christmas Seals. More Seals can be obtained from Miss Helen Spangler. Use all you can to brighten your Christmas mail and packages.

"May your holiday season be happier as a result of helping others!"

Fairfield Resident Dies Today At 82

Mrs. Eliza Baumgardner, 82, Fairfield, died at the Warner hospital this afternoon at 12:35 o'clock. She was twice married. Both husbands preceded her in death. Her first husband was Henry Reck and her second husband, John Baumgardner.

Surviving is a son by her first marriage, Charles Reck, with whom she resided. Funeral arrangements are incomplete.

Set Date For PUC Hearing On Crossing

A hearing will be held by the Public Utility Commission Thursday, December 2, on approval of a grade crossing and the allocation of costs for the construction of the crossing on West Lincoln avenue, Gettysburg, where the tracks of the Reading company cross the street, the PUC said Monday.

The borough of Gettysburg and the Reading company have jointly applied for approval of the project. The hearing is to be held at 10 a. m. in the northwest office building at the state capital.

HOSPITAL REPORT

Admissions to the Warner hospital include Mrs. Roy Dinterman, Rocky Ridge, Md.; Mrs. Margaret Gebhart, York, and Drusilla Weedon, Emmitsburg. Those discharged were Robert Wormley, Emmitsburg; Hershey M. Bowers, Gettysburg R. 4; Mrs. Theodore Ridinger and infant son, Robert Wayne, Taneytown R. 2; Mrs. William C. Sankey and infant son, William Charles, Jr., 420 College avenue; Barbara Jean Cool, Emmitsburg R. 1, and Mrs. Frank Moore, Fairfield.

LEAVES \$60,000 ESTATE

The will of Wilmer E. Roth, late of Gettysburg, has been entered for probate at the office of the county register and recorder. The widow, Ida H. Roth, and the Gettysburg National bank are named as executors of the \$60,000 estate.

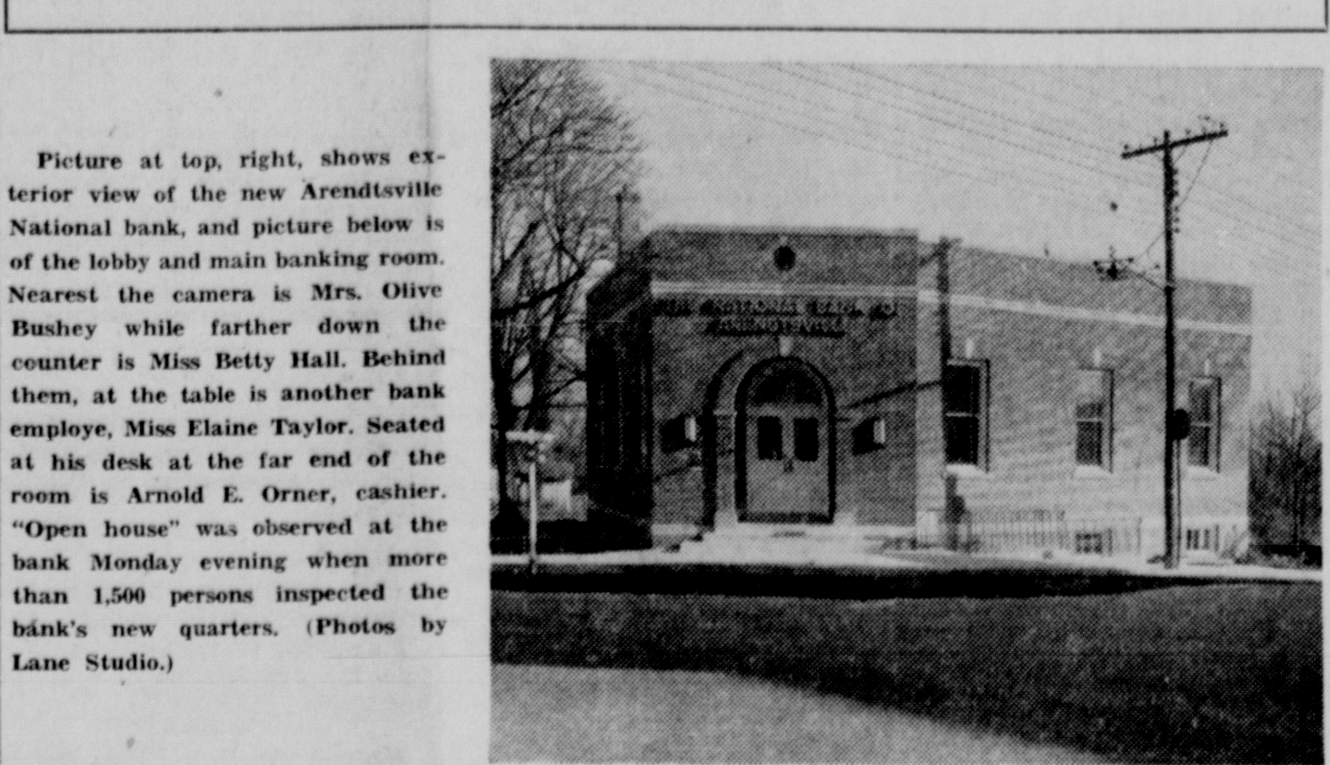

HURT IN FALL

Roger M. Craver, seven-year-old son of Mr. and Mrs. Forrest Craver, South Washington street, was treated at the Warner hospital for a puncture wound of his right eyebrow sustained when he slipped and fell.

COUPLE LICENSED

A marriage license was issued at the court house today to James P. Schlauch, son of Mr. and Mrs. R. Walter Schlauch, Lincoln university, Pa., and Mildred Ruth Price, daughter of Mr. and Mrs. John Robert Price, Biglerville R. 2.

HOLIDAY TO BE QUIET THURSDAY

A community service at 9 o'clock in College Lutheran church and family gatherings will highlight Thanksgiving Day here. Gettysburg college gridders engage Franklin and Marshall college at Lancaster.

A general holiday will be observed by most business places. Banks and the court house will be closed and there will be no rural or city deliveries of mail and no window service. The post office lobby will be open regular hours, however.

Public schools here will close at 2:30 p. m. Wednesday and will not resume classes until Monday morning. At the high school there will be a special Thanksgiving assembly program Wednesday afternoon with Richard B. Shade, supervisor of music in charge. The Gettysburg parochial school will close Wednesday. (Please Turn To Page 7)

Pupils In Seventeen Public Schools In County Have To Carry Their Drinking Water

Borough youngsters may wash their hands in the lavatories of their school buildings and get their drinking water from a fountain in the hallway, but the children of rural residents in seventeen of the "country" schools in Adams county are not so fortunate, and have no such conveniences.

In fact, a checkup shows that in these 17 schoolhouses, there is no water supply, and in most cases the youngsters themselves have to carry water in pails from the nearest farmhouse well, in order to have drinking water during school hours or recess periods.

These are the schools which do not have wells on their school property, according to William I. Shields, state sanitary inspector, whose job it is to make sure that water used by the schools is pure:

Cold Springs school in Hamilton township; Mt. Vernon, and Mt. Pleasant schools in Germany township; Mechanicsville, State road and Blackberry schools in Latimore township; Brush Run and White

"Cub" Photos Of Local Lions "Steal" Show

Gettysburg Lions entertained their ladies Monday evening at a turkey dinner at Trinity Reformed church by showing baby pictures of themselves. It was no surprise to the ladies for they had supplied the pictures in most cases while the clubmen had been kept in the dark about the principal part of the program.

Only the program committee headed by Kenneth P. Hull knew what was coming after the "Flame Throwers," a firemen's quartet from York, finished a series of novelty and popular vocal numbers.

Enlargements of baby or early childhood photos of 51 of the Lions were thrown on a large screen while the Lions and their wives attempted to guess their identities.

Ladies of Trinity church served a roast turkey dinner to the approximately 160 Lions and guests. President D. E. Hess presided and there was group singing led by Richard B. Shade.

SAYS AMERICAN FREEDOMS NOT YET ATTAINED

"A 'different view' of the Freedom train, one holding that many of the goals set for the nation by the documents shown on the Freedom train have not as yet been achieved, was presented to the local Rotary club at its regular meeting Monday evening in the YWCA.

Judge Walter Anderson, of York, the speaker, pointed out that "viewing the exhibits on the Freedom train leads us to believe that while our penmanship may have improved over the years our ability to express ourselves lucidly, fluently and logically has not improved. The men of the revolution, Lincoln, and the others of an earlier day were able to express themselves in imperishable prose, a capacity that seems beyond present day statesmen whose writings, while clear, have not that touch which is evident among the earlier political writers.

"We note the words on the declaration that 'all men are created equal,' and yet we know they are not created equal, that men have different capacities, potentialities, powers and abilities. But we realize that what the writers had in mind was that men are equal before the law, that in the eyes of the government all men are equal and should be treated as equals.

Lack Four Freedoms

"Yet try as we may, we fail in this—before the law a lot of people are not treated as the equals of others. The colored man, the foreigner, does not get the same treatment by a jury as does the white man, and there are also distinctions made by juries between white men. All men are equal before the law, but often the honest man goes to jail and the dishonest man with sufficient money can sometimes convince a jury of his innocence.

"We view the Bill of Rights and feel that our liberties are protected, but what does the bill state—it says merely that congress shall not take away our freedom, it does not (Please Turn To Page 2)

LEGION WOMEN HOLD INITIATION

A class of 39 new members was initiated Monday evening by officers of the Auxiliary of the Albert J. Lentz post No. 202 of the American Legion at a regular meeting in the Legion home.

During the regular business session, \$25 was voted to the Department Auxiliary to be used to provide Christmas packages for veterans in hospitals.

It was announced that the next four-county council meeting will be held in Zion Lutheran church in York on Thursday, December 2. Officers of the local Auxiliary will be the delegates to the York meeting.

The program Monday evening included three vocal solos by Mrs. John Grissinger, accompanied by her sister, Miss Elizabeth Sheffer; a reading, "When Father Rode the Goat," by Mrs. Samuel Palmer, and group singing, "God Bless America" by Mrs. H. H. Thomas.

The next meeting of the Auxiliary on Monday, December 13, will be held in the form of a Christmas party with an exchange of 50-cent gifts. The committee on arrangements includes Mrs. William McCrorie, Mrs. Harvey Dickert and Mrs. Joseph Bushey.

APPROVES SCHOOL PAYMENT

Auditor General G. Harold Wagner has approved payment of \$40,241.17 to the Gettysburg School District. The funds are approved and paid out of legislative appropriations for the support of public schools.

SEEK INCREASES IN STATE AID FOR HOSPITAL

"If state aid for the next biennium were granted the Warner hospital on the actual experience basis of the last two quarters, the state appropriation to the local hospital for the next two years would have to be \$38,000 instead of \$14,000."

Thus were charity service rendered by the hospital and the vast increase in cost of hospital service dramatized to the board of directors at the November meeting held Monday evening in the board room in the Musselman Memorial annex.

The basis of the estimate was the number of charity or indigent persons served during the past six months multiplied by the actual ward patient cost of \$3.32 per day. In the calculation the \$3.32 figure was reduced to \$8 to allow for expenses of a capital or non-repeating nature incurred during the period.

Asking \$38,000
Administrator Walter R. Doud told the directors that the Pennsylvania hospital association will request the next Legislature to increase the present state-aid rate for all hospitals to \$8 per day and to include in the state-aid program an allowance up to \$2.50 per call for indigents rendered out-patient service. At the present time no allowance is made for out-patient service. Following discussion of service to indigents and hospital costs, the board approved an application for state-aid for the next biennium, June 1, 1949 to May 31, 1951, of \$38,000.

The census figures for October showed a seasonal increase with the result that earned income exceeded operating expenses during the month by "a modest margin." The operating loss of the hospital for the four months ending October 31 was reduced to \$7,835.76.

SHERIFF IRATE IN BREEN CASE

Glidden, Wis., Nov. 23 (AP)—Sheriff William Sands said today that singer Bobby Breen's weekend disappearance was "a publicity gag that's going to require a lot of explaining."

But the 21-year-old former child movie star said, "honest to God there's nothing fishy."

Breen and his pilot were located last night at the Northwestern Hotel here, where Breen registered Sunday night under the name of Benedict. They had landed at a farm five miles out of town.

The sheriff said yesterday's day-long search for the single-engine Stinson monoplane which carried Breen and his pilot, Kenneth Thompson, from Thompson's home field at Waukesha, Wis., was a "travesty."

"Hundreds of men fought their way through the woods looking for him," Sands said. "And Les Schultis, the local pilot, risked his life by spending eight hours in the air during weather that turned back outside search planes. Something ought to be done about it."

Sands said he would confer with the district attorney today regarding the search. "Someone's got to pay for all this," the sheriff said.

Miners' Medical Program Underway

Pittsburgh, Nov. 23 (AP)—A medical program for disabled and unemployed coal miners of the western Pennsylvania area was in full operation today.

A medical office has been set up in the headquarters of District 5, United Mine Workers, in charge of Dr. Richard M. Boyd, of Washington, a public health specialist since 1937.

The regional office here will serve UMW Districts 3, 5 and 6, embracing all of western Pennsylvania, as well as parts of Ohio. There are about 50,000 miners in the area.

Dr. Boyd said he will start taking applications for medical care at once. They will be sent to his office by local unions. Care will be furnished by doctors and hospitals near the miners' homes.

Mr. Luckenbaugh was a son of Mrs. Dora Mollison Luckenbaugh and the late Oliver Luckenbaugh. Surviving besides his mother, are eight children, Mrs. Ernest Heide, McLaughlin Heights, Vancouver, Wash.; Mrs. C. N. Ramsten, Salem, Ore.; Paul E. Luckenbaugh, Jr., 409 East King street, Littlestown, and Merle E. Luckenbaugh, Miss Margaret Luckenbaugh, Alfred Otto Luckenbaugh, Robert Guy Luckenbaugh and Dean Oliver Luckenbaugh, Portland, Ore.; five grandchildren, five sisters and one brother, Mrs. Francis Drake, Hanover; Mrs. Arthur Myers, Miss Myrna Luckenbaugh, Mrs. Kenneth Long and Ralph E. Luckenbaugh, Hanover, and Mrs. Richard Duman, Lancaster. Mr. Luckenbaugh was a retired hop broker for the past four years. Funeral services Wednesday morning at 10 o'clock at the William A. Felsler funeral home, Hanover. The Rev. Howard E. Sheely, pastor of Trinity Reformed church, will officiate. Interment in Mt. Olivet cemetery. Friends may call at the Felsler funeral home this evening from 7 to 9 o'clock.

Edward Roy Orr

Edward Roy Orr, 59, died this morning at 12:01 o'clock at the home of a niece, Mrs. Ruth Warner, Gettysburg R. 3, of complications. A native of Berkeley county, West Virginia, and a former resident of Berkeley Springs, W. Va., he resided in Adams county for 13 years, with a sister, Mrs. John Franklin. They lived for six years at Aspers and for the past seven years here in Gettysburg.

A farmer and orchard worker, he is survived by the sister, Mrs. Franklin; two brothers, Luther M. Orr, Camp Hill, and Bruce A. Orr, Hegesville, W. Va.; a half sister, Mrs. Helen Mason, Hegesville, and a number of nieces and nephews.

Funeral arrangements are incomplete.

Paris, Nov. 23 (AP)—The East and West appeared today to be moving toward firm support of the original United Nations partition of Palestine. Australia joined the United States and Canada in reaffirming their position on the November 29, 1947, division of the Holy Land between Arabs and Jews.

NICKEL MURDER SENTENCE NEAR

Pittsburgh, Nov. 23 (AP)—Two Allegheny county criminal court judges heard testimony today to determine what sentence a 28-year old man should receive for slaying a man in a robbery which netted only a nickel.

The defendant, 28-year old Edward Egli of New Milford, N. J., pleaded guilty to a general charge of murder yesterday. His parents sat by, tears welling in their eyes.

It's up to the judges—Harry Montgomery and Frank P. Patterson—to determine the degree of guilt and to impose sentence.

Egli, an itinerant dishwasher, was charged with murdered in the fatal beating last July 23 of Charles W. Kettler, 73-year old northside rooming house collector.

Dale Leshar, 29, of Pittsburgh, also was charged with murder and is awaiting trial.

Assistant District Attorney Samuel Strauss said the two men beat Kettler during a robbery which netted only a nickel. He said they thought Kettler was carrying several hundred dollars in rent receipts.

COMMUNISTS BOOED BY CIO

Portland, Ore., Nov. 23 (AP)—CIO convention delegates trooped back into session today still exclaiming over Philip Murray's historic eruption against the Communists and eager for more wallops at the CIO's left wing.

At the same time Senator Wayne Morse, Oregon Republican, in a speech prepared for delivery, called upon the CIO for "statesmanship" in helping to write a new labor law that would be fair to both unions and industry. Morse commended the CIO leadership for its "forthright stand" against "extreme leftist philosophies."

This "forthright stand" had the convention in an uproar of cheering and booing yesterday.

Murray in three speeches hammered at the Communist Henry Wallace supporters, Marshall Plan opponents, and CIO unions which he accused of "obvious inability" to organize the unorganized workers in certain fields.

His assorted victims fought back, as they were expected to fight again today when the convention begins debating resolutions. But they were hooted, heckled, guffawed at, denounced by Walter Reuther and James Carey (two of Murray's more vocal lieutenants), and finally swamped with votes approving Murray's annual report, which contained praise of the Marshall Plan of European aid.

Names Dr. Nourse On Anti-Inflation

Washington, Nov. 23 (AP)—President Truman today named the chairman of his economic advisory council, Dr. Edwin G. Nourse, to direct planning of the anti-inflation program Mr. Truman will present to Congress in January.

Nourse told reporters of his selection after a conference with Mr. Truman.

The appointment came as signs appeared that inflation may have reached its peak or passed it. However, similar signs had shown up early in 1947 and 1948 only to be bowled over by another upsurge in the boom.

Nourse said the work of this coordinating group would be carried on between now and when the President's State of the Union message, his economic report and the budget message are submitted to Congress early in January.

TO LAY OFF 500

Syracuse, N. Y., Nov. 23 (AP)—The Easy Washing Machine corp., says it will lay off about 500 employees and discontinue second shift work.

President H. Paul Nelligan, who describes the layoffs as "seasonal," said last night the move resulted from curtailment in orders from dealers. He said the layoffs would be staggered and would not be completed until next week.

Frankfurt, Germany, Nov. 23 (AP)—The U. S. Army said today it has smashed a Czechoslovak spy ring which had been getting data on American troops and installations.

EXCHANGE TO CLOSE

New York, Nov. 23 (AP)—Financial and commodity exchanges throughout the United States will be closed Thursday, November 25, in observance of Thanksgiving Day.

SAYS AMERICAN

(Continued From Page 1)

prevent other government agencies from taking away those freedoms. The Fifteenth amendment says that no one can be denied the right to vote, but that is not so either. In some sections of our country men and women are kept from voting.

"We have the idea of the four freedoms. They are wonderful goals, would to God that it were possible to realize them. But we do not have them even here in the United States. We seek freedom from want, yet in York we have a family of ten people living in one room; we have another family living in a one car garage, we have children in York who have never tasted meat, whose only food has been potatoes and bread; These people, Americans, living in our own city do not have freedom from want—they live constantly with want.

Hope With Fears

"Freedom from fear is a glorious goal, but also an unattainable one. Man will always be plagued with fears of losing his health, fears of dying, fears of losing his job, or his wealth. But it is a goal worth working for. The fear among nations is a great deterrent to peace. The Russian people are taught to fear capitalism by the cynical men who control them. And that fear they have been taught is a danger to us.

"We have cause to fear, but we have also cause for hope. Our nation became great because it was founded by men seeking first the Kingdom of God, and the scriptural promise that has come true, all those things, the wealth and power, have been added to us. As long as we seek God first we will be great. If we lose that motivation—well, Rome fell and it can happen again."

Auction Is Held

President Mares Sherman presided at the Rotary session with 57 present.

The speaker was introduced by the secretary, Dr. Frederick Tilberg. An auction to raise money for the projector fund was held with articles donated by Frederick E. Griest, Joseph E. Codori and Dr. Dunning. Idle sold by "auctioneer" Philip M. Jones. Elmer W. Warren acted as clerk for the auction.

STRIKE DELAYS BIGGEST LINER

Southampton, Eng., Nov. 23 (AP)—The Queen Elizabeth, biggest liner in the world, lay dead on the water again today. She is anchored by a pledge of the Cunard White Star Lines that the great ship will not sail for New York until the U. S. dock strike is settled.

A thousand or more passengers lazed around the deck. They were eager to be away on a voyage scheduled for last Wednesday.

The owners said 83,000-ton ship will be kept in port at least another 24 hours, and longer than that if the American strike continues.

A Cunard proposal that the ship sail tomorrow in anticipation of an early-end of the east coast strike was vetoed by the engine room crew department. Other sections of the crew walked off Saturday in sympathy with American strikers but returned to work Monday on promise that the ship would not sail while the strike is on.

The delay already has cost the line \$140,000. If the voyage is cancelled, it will cost about \$1,000,000. About 2,000 bags of mail which lay in the forward hold were taken from the ship today. The mail was to go aboard another ship at Liverpool.

Newport Folk Fight Water Rate Boost

Harrisburg, Nov. 23 (AP)—The Public Utility commission today studied the opposition of six Newport residents to the proposed 20 per cent rate boost of the Newport Home Water company.

A spokesman for the residents yesterday told the commission the new rates are "exorbitant and unreasonable."

Counsel for the water company contended the new rates are necessary if the company is to make any improvements in its plant. He pointed out that there has been no change in the cost of water to Newport consumers since 1890 and that the company is now operating at a loss.

MARKET TIPS DOWN

New York, Nov. 23 (AP)—The stock market tipped downward after a wobbly start today. Losses ranged from fractions to more than a point. A handful of shares either clung to small gains or held unchanged. Business was only moderately active although several substantial blocks of stock changed hands.

REMOVE BIG GUNS

Fort Hancock, N. J., Nov. 23 (AP)—The big 16-inch coastal guns that have been the principal defense weapons here for many years are being dismantled today. With the increasing reliance on the Air Force for harbor protection, the Army decided that the guns, with their fixed position, are obsolete. Every gun of 16 inches and six inches on the post and in the neighboring highlands will be dismantled, the Army said.

MICHIGAN HOLDS TOP POSITION IN AP GRID POLL

By JACK HAND

New York, Nov. 23 (AP)—Michigan rules the roost in college football for the third straight week by a comfortable margin in the next-to-last Associated Press poll of the 1948 season.

With 105 of 190 first place votes, the Wolverines polled 1,726 points for a lead of 103 over the idle runner-up, Notre Dame. Michigan finished its season Saturday by downing Ohio State, 13-3, while Notre Dame had two more games to play.

There were few radical changes in the top 10 after a formful week-end, the only startling drop being Penn State's tumble from sixth to 18th place.

Army Again Third

Army again held third place, although the Cadets were idle awaiting Saturday's finale with Navy, but North Carolina moved into fourth place, displacing California, by a 20-0 decision over Duke. The Michigan-Notre Dame-Army-California lineup had held true for two straight weeks.

The California Bears, named the western Rose Bowl team against twice-beaten Northwestern, was ranked fifth. Their New Year's Day opponents who walloped Illinois, 20-7, clung to seventh place, one step below Oklahoma.

The Oklahoma team's smashing 60-7 romp over Kansas boosted the Sooners from eighth to sixth place. Southern Methodist also advanced two places. SMU was ranked eighth after a 13-6 victory over Baylor. Then came Clemson, ninth as it was last week, and Oregon, which finished its campaign with a 10-0 nod over Oregon State. Oregon advanced from 13th to 10th, becoming the only member in the top ten.

PAIR OF EAGLES BEST GAINERS

Philadelphia, Nov. 23 (AP)—National Football League records today listed passer Tommy Thompson and runner Steve Van Buren of the Philadelphia Eagles as the loop's greatest offensive duo.

Van Buren is nearing two all-time NFL ground gaining records. Latest figures compiled by statistician Joe Labrum shows the ex-Louisiana State line-bender is 32 yards ahead of the pace of his last year's record one-season ground gaining mark.

With three games still to go, Van Buren has amassed 824 yards in 182 attempts—an average of 4.5 yards per try. This is 114 yards short of the record 1,008 he set in '47 in 12 games.

Van Buren's lifetime total is 3,637 in less than five complete seasons. The all-time NFL record is 3,860 made by Green Bay's Clark Hinkle over a 10-year period. Van Buren needs 224 yards to eclipse this mark this season. To do it he needs only to gain an average 91 yards per game.

Thompson has completed 100 aerials in 168 attempts for a total yardage gain of 1,383. Eighteen passes went for touchdowns, only eight were intercepted.

LOUIS TOUR IS MAKING BIG HIT

New York, Nov. 23 (AP)—Joe Louis' road series is about as big a hit as the ones staged by Bing Crosby and Bob Hope for the movies. And the heavyweight champion is coming almost as much dough.

So say Booker Harry Mendel and Manager Marshall Miles, who have the Brown Bomber hitting the road to Detroit, Cleveland, and points, north, south, east and west.

Tonight the champ takes on Kid Riviera in a four-rounder at St. Louis. Tomorrow it's Kansas City, Mo., against Curt Kennedy, and so on until December 16 when the big guy's current tour is slated to end. That night the Bomber takes on Pat Comiskey in Paterson, N. J. Louis started his campaign by engaging Comiskey in Washington, D. C., September 20.

Everywhere the champ shows, he's been packing them in. Louis will have earned more than \$100,000 by the time he winds up in Paterson. The champ works on a percentage and so far everyone is happy, Mendel said.

"If the champ wants to continue to tour after the first of the year, he can earn another \$100,000 by boxing exhibitions until the middle of February," Mendel declared. "And if he wants to keep on going he can make it 300 grand by April 1."

Beau Jack Meets "Chuck" Taylor

Philadelphia, Nov. 23 (AP)—Beau Jack, the former lightweight titleholder with his sights set on the welter crown, tests his mettle tonight against Chuck Taylor, of Coalport, Pa., at Convention hall.

Jack, the erstwhile Augusta, Ga., shoeshine boy, twice held the lightweight title, but failed in a recent attempt to wrest it away from Champion Ike Williams.

In the Williams bout, Jack complained he was weakened by his attempts to make the 135 pound limit. He carried the fight to the champion for four rounds but went no farther than the sixth as Williams pounded him into helplessness.

Now Jack feels he is just about ready for a crack at the heavier weight top honors, held by Sugar Ray Robinson. Taylor, a pretty good fighter in his own right, is expected to provide Beau with some interesting competition.

ARMY-NAVY TILT TICKETS SHORT

Annapolis, Md., Nov. 23 (AP)—One sure way of landing a ticket to the Army-Navy football game: get yourself elected to Congress. Otherwise, it's not so easy.

They print 100,000 of them, but anyone at Annapolis or West Point, or any street corner for that matter, can tell you that's not enough to go around. They'll tell you pasteboards for the annual threat to armed forces unification are as eagerly sought as crown jewels.

Congressmen are lucky. They're honorary members of the athletic association of each academy. As such, they can claim 16 tickets, eight for each, but at the usual price.

Even the President has to pay. A navy circular on how tickets are distributed says the chief executive "has an allotment which he purchases." Secretaries of the navy and cabinet members have allotments, too. Only the squad and coaches get complimentary.

Press writers in the White House, army and navy public relations offices have to buy theirs. As a "return courtesy," athletic officials, coaches and luminaries of the nation's colleges also can buy seats for their personal use.

Sports Roundup

New York, Nov. 23 (AP)—Columbia Lou Little, who does right well as a "barometer" of football rules changes, now comes out in unqualified support of the unlimited substitution rule and the "two platoon" system. . . . Says Lou: "I am convinced if we want the best possible football, we should have the best eleven men on the field at all times. There is no doubt in my mind that means there should be unlimited substitution."

JUST HORNING IN

Excerpts from the official orders issued at the U. S. Naval Academy for the trip to Philadelphia for Saturday's Army-Navy game: "The goat: The Naval Academy Athletic Association truck will transport the goat from the seaward end of the gymnasium to Bladin St. Station with the gear and equipment and place it aboard the baggage car on Thursday afternoon, November 25. Upon arrival at Philadelphia, Pa., Friday morning, the goat will be taken from the baggage car and placed in the baggage room at 24th and Chestnut Sts. Station to be held there until Saturday morning, when a truck, provided by John Toale, will transport the goat from the station to the Municipal Stadium, arriving there at 10:00. . . . After the game the goat will be transported on one of the gear trucks from the stadium to 24th and Chestnut Sts. Station, where it will be placed in the baggage car for transportation to Annapolis, Md. Upon arrival at Bladin St. Station, the goat will be transported on one of the gear trucks to the seaward end of the gymnasium." . . . P. S.: If the predictions are correct, goat chops will be served to the seagulls at 10:00.

BASKETBALL SCORES

In 46 games this season, National Football league teams have averaged 45.91 points. All-America conference clubs have a 44.12 average for 47 contests with a high of 103 points. . . . "Maybe Steve Owen had a 'chaw' instead of his tongue in his cheek when he suggested: 'Perhaps the solution is to restore the center jump.'"

The Los Angeles Dons of the All-America conference claim to be the only football squad in the U. S. with three Hawaiian players on the roster.

GRID CIRCUIT CROWNS CHAMP

Columbia, Nov. 23 — Elizabethtown high's football team was officially proclaimed the 1948 Conference of Roses champion at a meeting here Monday night.

Coach John Windish's charges, with seven victories in as many games, compiled a 5,000 percentage, highest ever recorded in the league.

Ephrata lost one game when it won the first conference title in 1946, and Columbia was tied by West York when it annexed top honors last season.

Ephrata finished as runner-up to Elizabethtown this season, and Lititz was third.

Elizabethtown received two trophies, one a permanent cup and the other a traveling trophy which is held by the champion for one year. Dan Kulp presided at the meeting.

Randal Clemens, principal of Elizabethtown high, was elected president of the conference at the meeting, and Dan Brubaker, of Lititz, was chosen vice president. Allan Hammons, of Ephrata, was re-elected secretary-treasurer.

Gene Haas, Russell Kane, Bruce Sheats and Charles L. Yost represented Biglerville at the meeting.

Rhode Island Runner Sets Distance Mark

East Lansing, Mich., Nov. 23 (AP)—Long-legged Bob Black is the NCAA's cross-country champion with a new record adorning the title.

The 28-year-old Rhode Island State star raced the five miles in 19 minutes 52.3 seconds yesterday, cracking the nine-year-old mark of 20:12.9 set by Greg Rice of Notre Dame.

Black defeated a field of nearly 300, leading runnerup Don Gerhmann of Wisconsin by 75 yards at the tape. Michigan State won the team championship with 41 points, Wisconsin taking second with 61.

The NCAA race, incidentally, was a background for some coaches' laments about America's poor showing in Olympics distance races. The U. S. distance men "looked terrible" in the Olympics, said Coach Carl Olson of Pittsburgh. The fault, he said, was in lack of experience.

Stahle Appointed Basketball Coach

Wayne, Pa., Nov. 23—Major John C. Stahle, former Army athlete, was named head basketball coach at Valley Forge Military Academy here Monday.

A native of Gettysburg, Major Stahle has served as football and baseball coach at Valley Forge for the past two seasons. He was a three letterman at West Point.

The new coach succeeds Captain Thomas Magill, who resigned earlier this year. A call for court candidates has been issued for today.

On Saturday Coach Stahle's football team defeated the Gettysburg college freshmen here 34-0.

Lafayette Faculty May Take Bowl Vote

Easton, Pa., Nov. 23 (AP)—The Lafayette college faculty was asked today to vote on whether the school's football team should accept an invitation to the Sun Bowl game at El Paso, Texas, on New Year's Day.

A poll of the faculty was decided on after Lafayette received a bid from Sun Bowl officials.

Lafayette last Saturday defeated its traditional rival, Lehigh, 23-13, to wind up its season with a record of seven wins and two losses, the latter at the hands of Army and Rutgers.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

TWENTY-FIVE YEARS AGO
Local Couple Wed at Hanover: In the presence of their families, Miss Grace Tawney, daughter of Frank Tawney, South street, and John F. Klinefelter, son of Mr. and Mrs. M. W. Klinefelter, York street, were married Thursday afternoon at 4 o'clock at the home of Mr. and Mrs. Perry J. Tawney, Hanover, the latter acting as attendants.

Rev. Ralph H. Bergstresser officiated, using the double ring ceremony of the Lutheran church.

Krietz-Cool: Miss Margaret Emma Cool, daughter of Mr. and Mrs. Henry Cool, of Fairfield, and Francis J. Krietz, son of Mr. and Mrs. Robert Krietz, of Emmitsburg, were married at St. Mary's church, Fairfield at a nuptial mass Thursday morning at 8 o'clock by the Rev. Father P. F. Sullivan.

Unveil Painting at Big Reception: A large oil painting entitled "The Betrayal by Judas," a gift to the Lutheran Theological Seminary here of Dr. and Mrs. Jeremiah Zimmerman, of Syracuse, New York, was unveiled at a reception by students at Seminary to the faculty and their friends in the Seminary social rooms Friday evening.

Rev. A. R. Wentz performed the unveiling of the picture. Approximately 100 persons attended the reception in charge of Earl Enders.

200 Teachers Open Institute: With well over 200 teachers of Adams county enrolled at the office of the county superintendent of schools, W. Raymond Shank, in the Court House by 1:30 o'clock the Sixty-Ninth annual session of Teachers' Institutes got under way in St. Francis Xavier Hall on Monday afternoon, with Professor Shank in the chair. Professor H. J. Taylor is in charge of the music.

Bergdoll Would Come Back to This Country: (By Associated Press) Washington, Nov. 21—Promises that Grover Bergdoll will return to this country from Germany if the Washington government complies with certain conditions, said to amount to virtual immunity for him, have been made to government officials by attorneys speaking for the Bergdoll family.

These offers the government has declined.

Firemen Form at Cashtown: The organization meeting for the Cashtown Fire company, which was held Wednesday evening at the polling place of that town, was largely attended.

George W. Swartz presided over the meeting and R. D. Bream acted as secretary pro tem. Election of officers resulted as follows:

R. D. Bream, president; George Carbaugh, secretary; George W. Swartz, treasurer; A. L. Carbaugh, fire chief; John Guyer, assistant chief; Daniel Mickley, second assistant chief; Nevin Shultz, chaplain; Floyd Hartman, fire marshal.

Gettysburg men who attended the meeting were: John Storm, G. A. McClellan, M. E. Crouse, Wilbur Stallsmith, E. Strausbaugh, D. C. Stallsmith, Edward Swisher, Joe Codori, S. E. Swope and James B. Aumen.

Couple Married for Fifty Years: The golden wedding anniversary of Dr. and Mrs. E. S. Breidenbaugh was celebrated in a fitting manner at a party given by their granddaughter and her husband, Mr. and Mrs. Kendrick Lynch, at the Lincoln Way Inn Tuesday evening.

Four generations were represented at the dinner.

Tells of Speech by Lincoln Here: Accounts of an eyewitness of the scenes which took place when President Lincoln visited Gettysburg 60 years ago, on November 19, 1863, were presented Monday evening by Dr. Philip M. Bickle, at a meeting of the Sons of Veterans and Grand Army of the Republic organizations in the latter's post rooms on East Middle street.

Dr. Jacob A. Clutz recalled the movement of troops entering toward the later field of battle here. Rev. Earl J. Bowman was the third speaker.

Today's Talk

AN INSPIRING CALLER
J. M. Barrie once said this about Sir W. Robertson Nicoll, famous editor of the British Weekly: "He was so fond of books that I am sure he never saw a lonely one without wanting to pat it, and give it a sixpence."

Well, that is the way I feel about all books, though all of them do not deserve either a pat or a sixpence! But each one that is contacted earns respect and consideration. I buy scores of them and many are sent to me by publishers and friends. I greet them all as I greet those who enter my business office or home. And there is many a book that leaves behind a glow, a warmth, an echo of hope and beauty after it is read.

Such a book came to my desk recently, sent to me by a stranger. He is a noted lawyer in his town of Charlotte, N. C., I learn, but he takes time out to write unusual and inspiring little books. He sent his latest one to me, which he calls "It Does Add Up." Brief essays that are alive and hopeful in content, devotional, sincerely written from the heart, and each as fresh in thought as morning dew.

The author of this inspiring book is Elmer A. Hilker, and he must be a fine lawyer to write such helpful essays, spiced with so many apt and unforgettable illustrations and quotations, that make each contribution so re-readable. In his article "Plant an Orchard" he tells of the dying request of Governor Hogg of Texas, who requested no elaborate stone to mark his grave, but "at my head a pecan tree, and at my feet and old-fashioned walnut, and when these trees shall bear, let the pecans and walnuts be given out among plain people of Texas, so that they may plant them and make Texas a land of trees."

It's illustrations like this Governor Hogg one that sparkle all through this little book of Mr. Hilker's. Someone sent me another inspiring book some time ago, written by a doctor, that has also inspired me no end. These are the kind of books that ought to have a large sale—books from active and useful men who write such books for fun and glory of the thing, primarily to turn on another light in the world!

Tomorrow Mr. Adams will talk on the subject: "For the Joy Alone."

Just Folks

By EDGAR A. GUEST
The Poet of the People
PLEA OF THE CARVER
I plead (before it is too late)
With those who run my home affairs—
The turkey steaming on the plate,
The children sitting in their chairs—
For what I've wanted all my life:
A good, well-sharpened carving knife.

My father had the same desire.
"All women folk," he'd often say,
"Use carving knives for cutting wire,
Which wears the finest edge away.
Carving's an art that needs a blade
As sharp as metal can be made."

When came the duty down to me,
I found it, as a general rule,
The carving knife appeared to be
The women's handy household tool.
They'd used it, as my father said,
For cutting carpets, tin and lead.

I would not spoil Thanksgiving Day
With angry speech or scowling black.
I want to carve the proper way:
To slice with skill and not to hack.
To serve the turkey this I ask:
A knife that's fit to do the task.

KING GEORGE VI IN ILL HEALTH; CANCELS TRIP

By EDWARD CAMPBELL
London, Nov. 23 (AP)—King George VI has a blood clot in his right leg and has cancelled all public engagements to avoid the danger of amputation or other disablement.

This news that shocked the empire was released at 1:30 a. m. today (8:30 p. m. EST Tuesday) by Buckingham palace so it could be announced simultaneously in the Parliaments of Australia and New Zealand that the royal tour of those countries set for 1949 had been abandoned.

The king's five physicians announced they had decided "that it would be hazardous for His Majesty to embark upon a long journey which might delay his recovery and which might well involve serious risk to a limb."

To Continue Duties
The official medical bulletin described the king's affliction as "an obstruction to the circulation of the legs which has only recently become acute." It said "a defective blood supply to the right foot causes anxiety." Newspapers and palace sources agreed this meant a blood clot.

King George will continue to discharge duties which can be handled from his office in the palace. All outside appearances will either be abandoned or delegated to his wife, Queen Elizabeth; his daughters, Princess Elizabeth and Princess Margaret; and his son-in-law, Prince Philip, Duke of Edinburgh.

News of the 52-year-old king's illness—his first serious ailment since 1917 when he underwent an operation for duodenal ulcer—eclipsed the empire's rejoicing at the birth of a son and possible future king to Princess Elizabeth a week ago.

Messages Pour In
Messages of condolence poured into the palace from all quarters. While it was apparent that the ruler's present condition is not critical, there was no attempt to minimize the gravity of his ailment.

The doctors who signed the bulletin were Sir Maurice Cassidy, an authority on heart trouble; Col. Sir Thomas Dunhill, head of the surgeons attached to the royal household and the man who performed a hernia operation last year on Winston Churchill; Prof. James Learmouth, a specialist in brain surgery; Sir Morton Smart, an authority on diseases of the muscles and joints; and Sir John Weir, the king's family physician.

They agreed that the king's condition was the result of "the strain of the past 12 years." George became king in 1936.

Cite War Anxiety
"He ascended the throne," commented The Times, "unprepared by any training for the succession, in a year of wars and rumors of wars. He was allowed no remission of anxiety as the world moved with accelerating pace to calamity.

"In the days when the survival of his people was at stake, the king, in bodily danger himself, for his home was repeatedly bombed—had to bear in his capacity as the supreme representative, the concentrated anxiety of the whole nation, unprotected as lesser men might be by any merciful ignorance of the full parlousness of his country's plight.

"Peace has brought little relaxation of the strain, but through these dark and dangerous years the king has stood undaunted at the head of his people, spreading courage and confidence by his unselfish devotion to his duty."

Says Small Towns Guide U. S. Future
Montrose, Pa., Nov. 23 (AP)—America's small towns hold the answer to the nation's foreign and domestic problems "because they have maintained the principles upon which freedom is founded," says Morris Sayre, president of the National Association of Manufacturers.

Sayre, a resident of New York, told a civic meeting in his birthplace last night that small towns "have given America young men and women who are imbued with the first principles of self-reliance, self-made security and self-merited independence—individual responsibility, community responsibility."

"On these principles rests the future of America and the future of the freedom of the world," he said. "These principles were born here in this and other American Montroses."

At the meeting, it was announced Sayre's aunt, Caroline Morris, has donated to Montrose her mansion, "Restmore," and its surrounding estate for use as a hospital.

'RED DEAN' TALKS COMMUNISM IN UNITED STATES

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

"I do not love thee, Doctor Fell,
"The reason why I cannot tell;
"But this alone I know full well,
"I do not love thee, Doctor Fell."

We have in our midst the Very Rev. Hewlett Johnson, Dean of England's ancient Canterbury Cathedral, who is known as the "Red Dean" because of his extreme left views and his great friendship for Soviet Russia.

The good Dean is speech-making and is devoting much of his energy to reproving us for our aversion to Communism. He says "peoples all over the earth view with misgivings the encirclement of the Soviet Union by 434 American air bases," and the "expenditure by the United States of vast sums for war purposes."

One would think the "Red Dean" would have enough business of his own to mind back home, the vast majority of Britons being hostile to Communism. However, his propaganda there doesn't seem to have achieved the success which he craves.

On Barnstorming Tour
Twice the "Red Dean" has been publicly rebuked by the Prime Minister of England. But to give the Dean credit for steadfastness of purpose, he hasn't seemed to give a tinker's dam. Perhaps more than incidentally, the Dean isn't answerable to the head of the Church of England but only to the government.

So the Dean ("You can call me Red") is barnstorming in our land, trying to convince us that Communism has a heart of gold. Well, we can take it, but if the good doctor would pause to look about a bit he would see that he will have trouble in persuading us.

As a clergyman he might be interested in the document published in Washington yesterday by the un-

American activities committee of the House of Representatives, that declares: "You cannot be a Communist and believe in God. x x x In all their plans and actions, the Communists mark down religion as enemy No. 1."

On second thought, maybe that line wouldn't impress the Dean. After a trip to Russia in '38 he said that "it is totally wrong to say these people are irreligious if they deny God. It does not matter what they say with their lips; it is what they mean in their hearts."

Perhaps the Dean might take more notice of this: yesterday in Cincinnati the American Federation of Labor in convention adopted a foreign policy calling for a military alliance against Soviet Russia and breaking off trade relations with the U.S.S.R. until the Berlin blockade is lifted. And the C.I.O. opened its annual convention in Portland, Ore., with the anti-Communist right wing in full control and determined to deliver further heavy blows to the dwindling left wing.

Half a world away, out in Shang-

WATER CUT OFF
Philadelphia, Nov. 23 (AP)—More than 1,500 homes in the Germantown section were left without water by a break in a large water main. Several thousand other homes in surrounding sections were left with lowered water pressure by the break last night. Wissahickon avenue buckled under pressure from the erupting water for a distance of about 75 feet and water bureau officials said they feared portions of the street would be washed away.

hai, Admiral William H. Sandley, wartime U.S. ambassador to Moscow, declared that "America's greatest danger from Communism is neither from China nor from Europe but from within her own borders. The danger is that Communism, boring from within, may destroy our strength without open warfare."

That's the sort of stone wall against which the Dean is butting his head in this country. Every boost he gives the Communists here is a knock.

So stick around, Dr. Fell!

ROSS STRICKEN
Harrisburg, Nov. 23 (AP)—Judge F. Clair Ross of the state Superior court is in Harrisburg hospital under treatment for a heart attack. He was stricken while working on opinions at his office here Saturday. His family reported him as being in "no immediate danger." The 53-year-old judge, a native of Sandy Lake, Mercer county, served as state treasurer and auditor general before being elected to the high bench in 1944.

Washington, Nov. 23 (AP)—The Supreme court Monday in effect upheld constitutionality of the "good faith" sections of the portal-to-portal law. Those sections permit employers sued for back portal-to-portal pay to plead as a defense that they acted in good faith, or that they relied in good faith on an interpretative ruling made by a government agency.

The National Football League is now in its 29th season.

NEW SIGNS OF INFLATION'S DECLINE SEEN

Washington, Nov. 23 (AP)—Has inflation at last reached its peak—or perhaps even passed it?

There are new signs today that this could be so. But somewhat similar signs appeared in early 1947 and 1948 only to be bowled over by another upsurge in the boom. Among the latest indications emerging from government reports in the last few days are these:

A two-month decline in the consumer (cost-of-living) price index, until, in October, it was only moderately above last January's level.

Also, a dip since August in the general index of wholesale prices—which are more of a guide to future costs at retail—until in October the index dropped slightly below the level of last January.

Not all prices have gone down. Those for metals, which play a major role in determining the price course of many goods, have been rising even more sharply than in 1947.

Prices, however, are only one factor on the scoreboard showing how the inflation contest between supply and demand has been getting along.

"Supply of many goods," says the Federal Reserve Board in its latest bulletin, "is now in better balance with demand at current prices than at any time since before the war."

And demand itself hasn't been showing the old zip it had in earlier postwar periods. People have been spending less of their after-tax income and putting more of it into savings. Department store sales have dropped below last year in dollar volume for two consecutive weeks, and retail sales in general haven't been showing their old month-by-month climb.

Starts on construction of new homes have been declining since April—suggesting, as the Federal Reserve Board put it, "resistance on the part of buyers to current high prices."

Littlestown

Littlestown—Charles W. Weikert, president of the Littlestown Chamber of Commerce has announced that all of the food stores in Littlestown will remain open Wednesday evening until 9 o'clock. All stores in the community will be closed on Thanksgiving Day.

The Littlestown State and National banks and the state liquor store will be closed all day on Thursday.

Robert DeGroff was the leader of the Christian Endeavor society of St. Paul's Lutheran church on Sunday evening. "Christianity in the Community" was the topic which was presented by the leader and readings on the topic were given by the Misses Evelyn, Virginia and Phyllis Dickinson. Maynard Barnhart, Jr., president, conducted the business session. It was decided that the society will hold a Christmas party. Herbert Plunkert was chosen as chairman of the party committee. No date has been set, but plans will be made at the meeting next Sunday evening. Earl Humbert was chosen leader for next Sunday when a Thanksgiving program will be presented.

"What Christianity Means to Me" and "The Obligations of my Faith" was the topic of the Christian Endeavor society of St. John's Lutheran church on Sunday evening. Following a song service and a responsive reading, Miss Jean Yealy read the scripture lesson and Miss Barbara Anne Harner offered the prayer. Miss Eloise Yealy was in charge of the topic and Barbara Anne Harner read "Something to Ponder." A special program will be presented next Sunday evening in charge of Miss Jean Yealy and Miss Helen Myers. Everyone attending the meeting is requested to bring a Bible along. The meeting closed with the Christian Endeavor benediction.

Caracas, Venezuela, Nov. 23 (AP)—Official sources have denied that President Romulo Gallegos has been placed under house arrest by army leaders. (The report of Gallegos' arrest came from Willemstad, Curacao.) It also said high-ranking army officers had demanded the President's resignation and formation of a new coalition government.)

Emmitsburg

Emmitsburg — Fred Seiss and son, of Thurmont, are spending several days with her parents, Mr. and Mrs. Jackson Humerick.

Mrs. William Topper visited Sunday with her parents Mr. and Mrs. Upton Austin, Taneytown.

Mr. and Mrs. George Howard Gillelan and son, of Baltimore, spent the week-end with Mrs. Gillelan's parents, Dr. and Mrs. O. H. Stinson.

Mr. and Mrs. Rock Eyster, Philadelphia, and Mr. and Mrs. Albert Kelly and daughter, of Baltimore, were week-end guests at the home of Mr. and Mrs. Charles D. Gillelan.

The turkey raffle held Saturday evening at the firemen's hall sponsored by the local fire company, was largely attended.

The Holy Mission which was conducted the past week at St. Joseph's Catholic church by the Rev. Father Hallahan and the Rev. Father Neary, missionaries, came to a close on Sunday afternoon at 3 o'clock. A service, the blessing of all babies and all pre-school children, took place at 1:30 p. m. Approximately 150 children and their parents were present for this service, which consisted of dedicating all children to the Blessed Mother, enrolling them all in the Miraculous Medal, giving a gold Miraculous Medal to each child, and the Blessing. The closing exercises of the Mission consisted of singing of the hymn, "Come, Holy Ghost," a sermon by Father Neary, renewal of Baptismal vows, conferring of the Papal Blessing, and Benediction of the Most Blessed Sacrament. The Mission was largely attended throughout the week of services.

The service books which are being published under the sponsorship of the Francis X. Elder Post of the American Legion are ready for distribution. Everett Chrismer, legionnaire in charge of the project, has announced that the books are now complete and will be distributed to those who ordered them as soon as they arrive. A few copies have already arrived but these were for the local merchants whose contributions made possible publication of this book. The book has a photo of each veteran accompanied by his or her full service record. The records appear alphabetically. It also contains a series of photographs of local places of interest including pictures of Emmitsburg business houses of many years ago in contrast of those of more recent vintage. Additional photos of the new ambulance purchased by the local V.F.W. Post and local baseball teams of 25 years ago as compared with the teams of recent years.

Dr. and Mrs. D. L. Beegle and family attended the Maryland Chiropractic Association conference held in Baltimore recently. Dr. Beegle, who was president of the association this past year, retired from that office. Adam Baer, of Frostburg, succeeded Dr. Beegle. Guest speaker at the conference, which 220 persons attended, was Dr. Emmett Murphy, national chiropractic representative. A dinner and a dance was held.

The wedding of Janice Lorraine Eyer, daughter of Mr. and Mrs. Bruce P. Eyer of Rocky Ridge, Md., and Howard V. Tull, of near Emmitsburg, will take place Thursday at 10 o'clock at St. Anthony's Shrine Catholic church.

Catholic Education Week was celebrated at St. Joseph's high school last week by an informative

REDS OPEN NEW DRIVE IN CHINA

Nanking, Nov. 23 (AP)—The Communists opened a new push today on

visited last week with his parents, Mr. and Mrs. Edwin Chrismer.

Mr. and Mrs. John Owens and daughter, Linda, of Baltimore, were visitors Sunday afternoon at the home of Mr. and Mrs. Thornton W. Rodgers.

Mrs. J. Edgar Mullen, Mrs. Howard Weikert, Jr., and daughter, Beverly, and Linda and Eugene Bouey spent Sunday evening with Mr. and Mrs. Mervin Hankey and family, Littlestown.

Miss Helen Hann, of Baltimore, spent the week-end at the home of her brother-in-law and sister, Mr. and Mrs. Earle Gelwicks.

A birthday party was held on Sunday afternoon at the home of Mr. and Mrs. Earle Gelwicks in celebration of the eighth birthday anniversary of their daughter, Mariann. Refreshments were served to Yvonne, Jean, Diana and Sonny Topper, Susann and Charles Hubbard, Martha Jane and Alice Ann Sherwin, Shirley Topper, Johnny Balmer and Bobby, Donalene and Johnny Gelwicks.

Mr. and Mrs. John O'Donnell, of Cynwyd, Pa., visited over the week-end with Mrs. Euphemia Rotering.

Suchow, key to Nanking and central China. The immediate objective was the defense bastion's only airfield.

Gen. Chen Yi's Red veterans punched out of the southeast under the cover of low clouds. Weather cut down the effectiveness of the government's air force which was the major factor in turning the Communist assault in the first phase of the Suchow battle last week.

The new offensive aimed to Communist pressure steadily building up against the Nationalist Second Army Group all along the great arc to the east and south of the city 180 miles northwest of Nanking. Other Red forces were reported moving against Suchow from the north.

In North China, the Communist threat to the great cities of Peiping and Tientsin increased as the Reds

took over Paoing. The Communist radio claimed the city yesterday, the government announced its evacuation today.

Without full air support for the defense of Suchow, the Nationalists were expected to be in for a rough time. The Communists apparently had regrouped and reformed completely after last week's heavy battling. They had been caught unprotected on the Suchow plain and the Nationalist air force blasted them in clear days and moonlight nights with bombers and fighter-bombers.

Reading, Pa., Nov. 23 (AP)—Police Chief Raymond C. Miller of West Reading said two teen age girls were arrested after they admitted they burglarized 13 churches and a number of homes in the Reading area. Chief Miller said the girls, whose names were not made public, were apprehended yesterday while riding in a taxi after they had displayed a large sum of money.

Baltimore Livestock

CATTLE—Following last week's very dull trade, dealings in the cattle department were slow, especially on steers and particularly on the heavy end. Demand was supplemented by about 400 head from last week. Fresh supply formed less than half the number offered a week ago and marked the highest volume for a Monday since May 17. It formed only 44 per cent of the number offered a week ago. Salable supply included the equivalent of twenty loads of slaughter steers and four loads of butcher cattle. Balance was made up principally of cows. Supply of high-grade and choice grain-fed steers and heifers negligible as bulk of steer supply consisted of medium and good grade, shorted and grainfed on grass offerings. Slaughter steers on an uneven but generally steady basis compared with last Thursday. Few odd head and small lots of good grade, \$27.50-33. Bulk of medium and good, \$24.50-27, and a few lots of common and medium, \$20.50-24.

Slaughter heifers again comprised a relatively light percentage of the total run. Shipments largely odd head and small lots of medium and good, \$22.50-27. Some low-common to \$19. Prices in the cow division fully steady to 50 cents higher, compared with last Thursday. In extreme cases advance claimed to \$11. Small lots of good young cows on the heifer order, \$23; other good cows, \$20-22. Common and medium, \$17.50-20, including load lots, \$19 down. Most of

SHEEP—Hardly enough lambs or ewes on sale to accurately test prices. Quotations nominally unchanged. Odd lots of common to low-grade woolled slaughter lambs, \$18-24; choice, \$26. A small lot of good and choice woolled ewes reached \$10 and some cull ewes, \$4.

provement through the higher earnings, the cash position of the hospital is being stabilized and with the exception of the holiday season, when the census will show a normal drop, high occupancy throughout the winter is expected to bring about steady improvement in the general cash resources of the hospital, a board officer said.

The October report showed that 247 patients were admitted during the month and that 90 patients remained in the hospital on October 31. The average number of patients per day in October was 54 adults and 17 babies. Sixty-seven babies were born in October—30 male and 37 female.

Earned income for October was \$20,327.96 while operating expenses aggregated \$19,214.89 leaving a margin of \$1,113.16. Cash income for the month was \$18,099.24 while expenditures were \$18,725.99.

President C. A. Bixler, New Oxford, presided over the meeting. Directors in attendance were Guy Stock, Bendersville; John Houser, Biglerville; C. P. Keefer, New Oxford; H. Harold Miller, William Durborow, Joseph E. Codori, Philip M. Jones, Edmund W. Thomas and Henry M. Scharf, all of Gettysburg. Dr. R. W. Gifford represented the medical staff at the meeting.

CAVES—No change noted in selling level for slaughter calves, compared with last Friday but trading was only moderately active. Vealers scarce and the undertone strong or on choice grades. Most of the good and choice, \$29-32, top \$32. Slaughter calves, \$25-32, including around 275 pounds and heavier, \$27-32. Other good and choice, 160-250 pounds, \$23-25-24; 250-275 pounds, \$23-25; 275-300 pounds, \$22-25-23; 300-350 pounds, \$21-22-22; 350-400 pounds, \$20-21; over 400-pounders, \$19-25-19; 120-140 pounds, \$20-25; 140-160 pounds, \$22-25-23; 160-180 pounds, \$23-25-25; 180-200 pounds and lighter, \$19-20-20; 400-450 pounds, \$18-19-19; heavier weights, \$20-25-25; 175-175, \$17-17.50.

PIGS—Also met a moderately active trade, but prices for all weights and grades advanced \$1 over last Friday. One double deck of sorted, mostly choice around 220-pound and light rail-shipped barrows and gilts, \$23-25. Other good and choice, 160-250 pounds, \$23-25-24; 250-275 pounds, \$23-25; 275-300 pounds, \$22-25-23; 300-350 pounds, \$21-22-22; 350-400 pounds, \$20-21; over 400-pounders, \$19-25-19; 120-140 pounds, \$20-25; 140-160 pounds, \$22-25-23; 160-180 pounds, \$

PUC MAY PROBE BOOST IN RATES

Harrisburg, Nov. 23 (AP)—The Public Utility Commission sought today to decide whether to suspend a \$25-000,000 a year rate boost by the Bell Telephone Co., of Pennsylvania, pending a formal investigation.

The issue had top priority on the business calendar as Chairman John Siggins called together the PUC

commissioners in executive session. Unless the new hike is suspended, it will go into effect Jan. 21, 1949, raising phone bills of some 1,655,170 customers. B. Frank Morgai, one of the four commissioners, said the body will investigate it for justification. "I personally feel the increase should be held up until we look into it," Morgai stated.

The increase, affecting both home and business subscribers, varies in amount in cities and towns throughout the state. The company has said, however, that "practically all

monthly charges for residence phones will go up an average of 77 cents and business phones \$4.02 a month." Long distance telephone rates were unchanged by the new schedule.

"Steadily mounting costs of operations and a sharp decline in earnings made the rate hike necessary," the company said. The Pennsylvania Industrial Union Council, CIO, also has announced that it is conducting an impartial investigation on its own to determine if the rate boost is justified.

Trenton, N. J., Nov. 23 (AP)—The New Jersey Joint Milk committee today called on Gov. James H. Duff of Pennsylvania for help in the committee's drive to eliminate retail price fixing for milk. In a letter to Duff, committee Director Frederick P. Wertheimer attacked price fixing as "restraint of free sale of milk." Because of retail floors, he said, children are "learning to drink less milk."

Says Horse Meat Not Sold For Humans

Philadelphia, Nov. 23 (AP)—Dr. Rufus Reeves, city director of public health says a complete investigation of all meat outlets in Philadelphia has disclosed no evidence of horse meat being sold for human consumption.

State health officials previously stated they will prove that such meat is being sold directly to the public in violation of the law.

In issuing a denial of such sales, Dr. Reeves said yesterday, "A complete investigation of all meat outlets in the city of Philadelphia has been made by the division of milk, livestock, meat and food."

"No evidence was found of horse meat being sold over the meat counters of Philadelphia for human consumption. 'I am issuing this statement in order to reassure the public that the Department of Public Health has made a careful study

of this problem."

The alleged sale of horsemeat for human consumption was reported by state agriculture department agents during a drive against the illegal processing of dog food.

FATALLY HURT

Lancaster, Pa., Nov. 23 (AP)—An 86-year-old Landisville man was fatally injured by an automobile while crossing a highway near his home. State Policeman Fred Germ identified the victim of yesterday's accident as Henry G. Amand.

A Thanksgiving Message

From Center Square

You can give heartfelt thanks today that you are a citizen of a country where free men and women and the right of free enterprise have combined to give Americans the highest wages and the most varied luxuries known on earth.

You can thank others who have lived before you for the enjoyment of these material and spiritual blessings. But for the abundance of tomorrow, you will be able to thank yourself.

It will be a matter of personal choice and action. You can save, or not save. You can have abundance, or not have it. Which shall it be?
